

JOB OPENING

LEAD MENTAL HEALTH CLINICIAN

Urban Bridge is seeking a passionate and experienced **Lead Mental Health Clinician** to oversee mental health services at The Bridge Impact Center, provide direct support, and coordinate community outreach. This role ensures our programs make a lasting impact. Know someone who's a great fit or interested yourself? Please share this opportunity with your networks and help us continue infusing HOPE and powering POTENTIAL in our community!

INTERESTED?

Apply today by sending a cover letter and resume to operations@urbanbridge.org, and don't forget to complete our [Employment Application](#).

ROLE OVERVIEW

The Lead Mental Health Clinician will implement Urban Bridge's mental health programs, provide direct services, and support other providers at The Bridge Impact Center and partner sites (e.g., schools). Responsibilities include service coordination, program delivery, staff supervision, and regulatory compliance. Reports to the Mental Health Services Director.

QUALIFICATIONS

Education & Licensure:

- Master's in Clinical Psychology, Counseling, Social Work, or related field.
- Fully licensed (LPC, LCSW, LMFT, or equivalent).
- Preferred: Certifications in trauma-informed care, CBT, DBT, etc.

Experience:

- 3–5+ years in clinical mental health, behavioral health, or counseling.
- 1–3 years in supervision or leadership.
- Experience with therapy in various settings and program development.

Skills & Competencies:

- **Clinical Supervision** – Ability to support clinicians in best practices.
- **Program Coordination** – Oversee and manage mental health services.
- **Crisis Intervention** – Handle mental health crises and use de-escalation strategies effectively.
- **Leadership & Communication** – Provide guidance to teams and collaborate across departments.
- **Compliance Knowledge** – Familiar with HIPAA, Medicaid, and ethical guidelines.
- **Documentation** – Proficient in EHR and reporting.

Preferred:

- Experience in trauma-informed care, substance use treatment, or co-occurring disorders.
- Background in community mental health, hospitals, or schools.
- Training in CBT, DBT, EMDR, or other evidence-based practices.

ADDITIONAL INFO

- Reports to the Mental Health Services Director.

- **Work Environment:** On-site role at The Bridge Impact Center, 1915 N. MLK Ave, Oklahoma City, OK 73111.
- **Work Schedule:** This role follows a standard work week with occasional evenings and weekends required depending on program needs.
- **Salary/Benefits:** Competitive pay based on education, experience and role responsibilities. Generous benefits, including health insurance and generous PTO.
